MEMORANDUM FOR: Chief, Special Projects Branch, DPD  
Chief, Air Support Branch, DPD  
Chief, [REDACTED] 25X1A2d2

SUBJECT: Briefing of Brigadier General N. L. Peterson

1. At 0900 Wednesday, 5 April, Brigadier General N. L. Peterson, Commander, Air Weather Service, and his Chief of Scientific Services, Dr. R. D. Fletcher, will be briefed on DPD operations. The object is to impress them with the high professional standards by which our operations are conducted, the high degree of success of these operations, and the importance of these operations to national defense. A thorough understanding of these factors may do much to maintain the General's enthusiastic support of our numerous projects.

2. It is desired that project officers responsible for each of the projects listed in the attached schedule prepare a brief (10 minutes or less) briefing on the general operational concepts of their project. [REDACTED] will act as coordinator and master of ceremonies.
